## Ranking Event With Coefficient 1.00

### Czech Veteran Cup

### Euoregional League OB 2013 Event

### Public Competition

Welcome to the 11th volume of SKOL CUP, firstly in the history with status of multiday race. What is waiting for you - the city sprint in the center of Krnov city, a classic and a shortened track in slightly undulating terrain near the Polish town Głubczyce, all in alternating passages of dense forest, meadows and "white" forest.

We believe you will enjoy these days with us, and wish you much success and memorable orienteering experiences.

## 3-day International Orienteering

### E1 – Friday June, 28th – sprint

**Stage center:** Krnov, athletic stadium, [GPS: 50°5'34.073"N, 17°41'55.731"E](#)  
Distance from event centre 5 km

**Parking:** Exclusively at designated car parks - see the map below. Please do not park in the race area. Parking will not be controlled by the organizers.

**Distances:**

Parking – stage centre	up to 500 m
Stage centre – start	650 m (blue/white ribbons)
Stage centre - finish	0 m

**Start 00:** 17:00 (interval start)

**Map:** Krnov, 1:4 000, E = 2,5m, ISSOM, status 06/2013, revision by Tomáš Kopec, A4.

**Terrain:** 70% of the urban area, 30% of park (Dvorak and Smetana parks).  
In about two-thirds of the course each category passes through the labyrinth that will be in the map with a scale of 1:1 000. Labyrinth will consist of artificial fences (impassable wall 521.1). After completing the labyrinth you continue on the original scale of 1:4 000. Immediately after labyrinth you must go on mandatory section (crossing the road using the pedestrian crossing).

**Mandatory sections:** **Between the labyrinth and checkpoint no.146** – crossing of frequented road using the pedestrian crossing – will be directed by City police. (not marked in the terrain.)  
**Between checkpoints no.127 OR no.133 and 100 (last checkpoint)** – marked by **red** ribbons.

**Special map symbols:** Black circle – information boards, electric switchgears, thermal stations  
Black cross – artificial object (climbing frames for children, soccer goals etc.)  
Black square – concrete planter

**Warning:** Due to revitalization of Krnov parks, which begun recently, we had to cancel part of the intended competition area around start-up checkpoints. As a result there are more checkpoints on the small area. Examine checkpoint codes carefully.

#### It is strictly forbidden to cross:

421 - Impassable vegetation  
521.1 - Impassable wall  
524 - Impassable fence or railing  
526.1 - Building  
528.1 - Area with forbidden access  
709 - Out-of-bounds area (park revitalization)  
741 - Temporary construction or closed area

You will cross the busy intersection on your way to start, please take extra care.

## 3-day International Orienteering

**E2 – Saturday June, 29th – long distance**

**E3 – Sunday June, 30th – shortened long distance**

**Stage center:** Las Głubczycki, [GPS: 50°13'55.822"N, 17°47'2.072"E](#)  
Distance from event centre 17 km (will be marked from the even centre)

**Parking:** Near the stage center. Follow the instructions of the organizer.

<b>Vzdálenosti:</b>	<b>Saturday</b>	<b>Sunday</b>
Parking – stage centre	up to 500 m	up to 500 m
Stage centre – start	100 m (blue/white ribbons)	650 m (blue/white ribbons)
Stage centre - finish	0 m	0 m

**Start 00:** 10:00 (interval start)

**Map:** Las Głubczycki, 1:10 000, E = 5m, ISOM, status 06/2013, Jiří Sýkora, A4,  
Terrain: Flat to slightly undulating terrain with rough shapes. Irregularly alternating passages of pure forest with dense forests and glades. The occurrence of large wet depressions (probably the result of bomber raids in World War II). There grows a tall grass in the "white" woods, which causes slowing running. Regular network of communications.

**Refreshments:** Only on Saturday during the course, water.

**Special map symbols:** Green circle – single tree  
Green cross – root stock  
Brown square - trench

**Warning:** Stage centre E2/E3 is 17 km away from event centre. The route will be marked with arrows. We ask competitors in E2 and E3 to take a repellent, a greater number of mosquitoes has occurred after recent rains.

### Supporting race - Saturday, June 29th - additional sprint

**Stage center:** Event centre – Area of Pietrowice Autocamping

**Start:** Start possible at any time between 17:30 to 18:30 by checking the start station.

**Map:** Autocamping Pietrowice: 1:4 000, E = 2,5m, 06/2012, Jiří Sýkora.
